

# Akzo Nobel Community Scholarship

## Selection Committee

The recipient of the annual Akzo Nobel Community Scholarship must have a desire to enter the fields of either Chemistry or Chemical Engineering, and must have demonstrated the positive attributes as listed in the criteria below.

## Criteria for Consideration

1. The applicant must be a member of the senior class at M.C.H.S.
2. The applicant must have exhibited strong scholastic ability in the field of science while attending Morris Community High School.
3. The applicant must have been admitted to a recognized college or university, and be entering with a declared science major.
4. The applicant must have shown personal qualities that would be expected of a sound student citizen at M.C.H.S.

## Amount of the Scholarship

The Akzo Nobel Scholarship will be presented in the amount of \$1000 for the 2012-13 academic year. The money will be paid directly to the college or university after proof of enrollment in the college or university is presented to the District Office of Morris Community High School.
