

**EXELON NUCLEAR**  
Dresden Generating Station

**SCHOLARSHIP APPLICATION**

The Exelon Corporation will award one scholarship to a deserving Morris Community High School graduate. This individual must be a graduating senior who plans on furthering his or her education by pursuing a Technical, Science or Engineering degree at a community college, four-year college or university or similar institution of higher learning.

Payment of this \$500 award will be paid directly to the school upon proof of enrollment. This application must be completed and include:

1. A 300 word (maximum) statement in which he or she describes a positive High School experience.
2. Two letters of recommendation.
