

## Morris Community High School

### **“M” Club Scholarship**

#### Introduction:

The 1992-93 “M” Club voted to initiate an annual award to be given in the form of a scholarship. By intent this award is to be given to a minimum of one boy and one girl each year who is going on to compete on the college level in one or more sports, but who has not received a full scholarship from the college or university of his/her choice.

#### Applicant Eligibility Criteria:

In order for any student to be eligible for the Annual “M” Club Scholarship, he/she must meet the following initial criteria.

1. Active “M” Club member in good standing.
2. Intends to compete, is capable of competing, and finally does compete, in his/her sport at the junior college or university level during his/her first year of attendance.
3. Will not be receiving full compensation during his/her first year of attendance at a college or university through any other single scholarship or combination of scholarships.

#### Application:

All applicants must submit an application form by no later than **March 8, 2012**. **All forms must be submitted to the Guidance Office at Morris Community High School.**

#### Scholarship Payment:

1. Money extended to “M” Club Scholarship recipients does not have to be repaid.
2. “M” Club Scholarship recipients will be notified during the M.C.H.S. Annual Honors Day Assembly by the “M” Club Advisor.
3. Recipients should give to the college (at the time of their registration) a letter from M.C.H.S. that denotes the amount of the award. The college should then send to M.C.H.S. a statement that the recipient is enrolled, and M.C.H.S. will forward to the business office of the college/university the amount of the award.
4. This is a one time only award given to each recipient upon entering the first year in college. It shall pay a maximum of \$500 with each year’s funds available being reviewed by the committee to determine the exact amounts.

Selection Procedure:

1. A committee of three high school faculty members (representative of the entire faculty and selected by the Principal) along with the Athletic Director, and the "M" Club Advisor(s) will determine the award recipient(s).
2. The award recipient shall be determined following the application deadline.
3. The award recipient shall be the student-athlete(s) who fit all the eligibility criteria, and then are also deemed most deserving by the selection committee.

Concluding Statement:

It is the hope of the 1992-93 "M" Club, that by initiating this scholarship, deserving student athletes with additional financial need may be able to pursue athletics beyond the high school level in the college or university of their choice.

Note: A minimum of \$500 will be set aside each year for this award by the current "M" Club.

In the event that more money is available in a given year, it shall be the right of the current "M" Club Officers and Advisor(s) to alter the size of current awards or to add more names to the award list.
