

Morris Community High School District #101

Strategic Goals 2009-2010

Theme:

Teaching and Learning

Objectives:

Goal:

Provide quality curriculum and instruction that engages and meets the needs of all students in a diverse learning community.

1. **Review and purchase a data analysis software system in order to more effectively use student achievement information.**
2. **Implement the District Technology Plan including the transition to Power-school.**
3. **Provide on-going staff development in the areas of student assessment, research based instructional strategies, and effective teaching in a Block schedule.**

Theme:

Human/Student
Resources

Objectives:

Goal:

Provide students and teachers with quality academic and extra-curricular programs to enhance teacher effectiveness and student achievement.

1. **Develop an effective staff recruitment and replacement process**
2. **Use the student/staff/parent advisory committee to review student handbook and extra-curricular policies including the investigation of a random drug-testing policy for students involved in IHSA activities.**
3. **Provide professional development for all faculty in order to successfully implement the RTi (response-to-intervention) plan.**

Theme:
Communication

Objectives:

Goal:
Engage District #101 stakeholders by effectively communicating the successes and challenges faced by MCHS.

1. **Increase the modeling of Web 2.0 technologies to further enhance dialogue among district stakeholders.**
2. **Conduct various interactive opportunities to draw parents and the community into the school (coffee time, tours, breakfast)**
3. **Explore options and opportunities through the local media to publish school related articles from the leadership team.**

Theme:

Finance

Objectives:

Goal:
Demonstrate fiscal responsibility to the community while promoting effective and innovative educational programs.

1. **Maintain continued collaboration with local and county officials in order to explore possible areas of revenue generation.**
2. **Implement the capital development plan that assists in prioritizing facility improvements, estimated costs, and anticipated time-lines.**
3. **Create a long-range plan that anticipates potential growth and possible expansion of MCHS.**
